SALE OF CONSTRUCTION MATERIAL

The Commonwealth of Massachusetts is soliciting Requests for Response (RFR) for the sale and removal of construction material (see attached photos). The material will be sold "as is, where is" and will consist of the following items:

The amount of materials are approximate

305 Pieces of Galvanized Tubes

301 Iron Tubes

2 Fifty Five (55) gallon drums filled of Iron Connectors

Other Misc. Construction Materials

Interested parties are advised to inspect the items thoroughly prior to submitting their quotes. To arrange an inspection, telephone the designated person(s) listed on this RFR.

History: This material was left over from the construction of the Ted Williams Tunnel.

Removal: The vendor will be responsible for the removal of complete removal of all materials.

All work involving the removal of the construction materials must be completed no later than 30 days from date vendor is selected. If all work has not been accomplished by this date, the Commonwealth has the right to impose a monetary penalty of \$100.00, for each day beyond the completion deadline.

Hours for removal and all other contract performances by the vendor will be 8:00 a.m. to 4:00 p.m., Monday through Friday. No removal or other contract performances shall be allowed on weekends or Commonwealth or Federal holidays unless permission is granted in writing by the Mass Turnpike Authority.

Permits: Any and all permits necessary for the removal of all items will be the responsibility of the bidder.

Indemnification: The bidder warrants that all services shall be performed in a professional and timely manner by qualified personnel. It is the vendor's responsibility to provide all necessary and proper safety devices and equipment for all work and preparation, and to provide all personnel with all necessary safety instructions. The vendor is responsible for providing all personnel with worker's compensation/insurance. The vendor shall be solely responsible for any loss,

claims or damages arising out of the removal or transportation of equipment or debris from the site. The vendor further agrees to indemnify and hold harmless the Commonwealth against any and all losses, claims or damages arising from the removal or transport of any equipment or debris, or any other actions arising out of this transaction.

Payment: Winning bidder will be notified and be required to submit a bank check or money order as payment. The construction materials can not be moved, dismantled, or worked on until full payment is made.

Instructions for Submission of Responses: All responses to this RFR must be submitted in a sealed envelope clearly marked 2000-023 and addressed to:
